## Instructions for Using the Student Lesson Answer Keys

These answer keys go with the *Personal Studies for New Christians* lessons. You need to complete the entire lesson before you check your answers.

1. Look at the lesson number and lesson title on the cover of your lesson. Find the answer key with the same lesson number and title.
2. Your answers must be exactly the same as the answer key. If you have an answer that is almost the same, check with your teacher.
3. Do not make any marks on your lesson if your answers are correct.
4. If your answer is wrong, put a check mark ( ✓ ) in front of it. For example, ✓ 11. God. Do not change your answer now. Continue grading your test.
5. After you have graded your entire lesson, tell your teacher how well you did. If you had all the correct answers, ask your teacher to sign on the last page of the lesson

where it says, \_\_\_\_\_ Grading completed \_\_\_\_\_ Teacher's Signature

6. If you have one or more wrong answers, return to your desk and erase the wrong answers. Write the correct answers in your lesson.
7. Then return to the grading table and check your corrected answers. If your answer is correct, put a circle around the check mark to show that the answer is correct.

✓ 11. friend .

If your answer is still wrong, return to your desk. Erase the wrong answer and find the correct answer. Then return to the grading table and check your new answer.

8. When your lesson has all the correct answers in it, give the test to your teacher. Ask your teacher to sign on the last page of the lesson where it says,

\_\_\_\_\_ Grading completed \_\_\_\_\_ Teacher's Signature

9. You are now ready to study for the Self Test. Check with your teacher for more information on that.
10. You follow the same procedures when you grade your Self Test.
