## Instructions for Using the Self Test Answer Keys

These answer keys go with the Personal Studies for New Christians Self Tests. You need to complete the entire test before you check your answers.

1. Look at the lesson number and lesson title on the top of your Self Test. Find the answer key with the same lesson number and title.
2. Your answers must be exactly the same as the answer key. If you have an answer that is almost the same, check with your teacher.
3. Do not make any marks on your self test if your answers are correct.
4. If your answer is wrong, put a check mark ( ✓ ) in front of it. For example, ✓11. God  
Do not change your answer now. Continue grading your test.
5. After you have graded your entire test, tell your teacher how well you did. If you had all the correct answers, give the Self Test to your teacher.
6. If you have one or more wrong answers, return to your desk and erase the wrong answers. Write the correct answers in your Self Test.
7. Then return to the grading table and check your corrected answers.

If your answer is correct, put a circle around the check mark to show that the answer is correct.

✓11. friend .

If your answer is still wrong, return to your desk. Erase the wrong answer and find the correct answer. Then return to the grading table and check your new answer.

8. When your Self Test has all the correct answers in it, give the test to your teacher.
9. You are now ready to study for the Final Test. You must wait until the next class session before you can take the Final Test. Check with your teacher for more information on that.
