GLOBAL
INTERNSHIPS

With 270 Million drug users worldwide; Teen Challenge needs your help...

Teen Challenge has been reaching people with life-controlling problems since 1958 and thousands of lives have been changed by God's love. Right around the corner or thousands of miles from anything familiar, you can receive valuable training and hands-on experience in an environment that is going to change your life... And someone else's.

Current Opportunities

With over 1000 centers worldwide, Teen Challenge Global Internships offers a unique opportunity for you to serve in the regions you are interested in. Countries currently receiving interns are: Ireland, Swaziland, South Africa, Mexico, Jamaica, Czech Republic, Portugal, Aruba, Canada and Cambodia.

3 Phases Of An Internship

Phase 1 – 1-month internship boot camp (offered twice a year). **Phase 2** – minimum of 3-month internship at a USA TC center. **Phase 3** – 3-6 month internship at a TC center overseas

Frequently Asked Questions

How long does the application process take? 1-2 months.

When can I leave for my internship? After you have raised all necessary funds, completed a 1-month boot camp and at least a 3-month US internship.

What training materials are available? Teen Challenge Global Internship works with Teen Challenge's Emerging Leader's Program to provide you with valuable material that will familiarize you with Teen Challenge history and core values, overseas living and ministry.

Who should apply? Recent Teen Challenge graduates. Teen Challenge staff and College aged students.

What does it cost? The 1-month boot camp is \$500.00 plus transportation to Jesup, GA. The cost for the USA and international internships depend on the local situation. The intern must raise their own funding.
