# GLOBAL TEEN CHALLENGE INTERNSHIPS

DAVID  
WADSWORTH

## Hello, my name is David Wadsworth.

I am currently serving as a Missionary Intern for Global Teen Challenge. I graduated from Ozarks Teen Challenge in Branson West, MO in July 2009. In December 2011, I felt God calling me back to Teen Challenge to give back to the ministry that facilitated my life transformation. During my internship at OTC, God opened the door for me to serve a 12 month internship for Global Teen Challenge in Tasmania, Australia. I believe that God intends for this internship to create greater opportunities for my life and use me to impact His Kingdom.

## Sarah McNeill - Swaziland Africa

When I decided to come to Swaziland, I had no idea the kind of lessons God was going to teach me--before I left and during my 4 month stay. I was expecting to be able to reach out to people and have God work through me, but I had no idea that I would be ministered to in such an amazing way. The first month or so was difficult--adjusting and learning the culture--but it was an incredible growth opportunity. During the past 4 months, God has really revealed in me the things that need to change and improve. He has broken me down and built me back up in so many ways. I am so thankful that I was able to be surrounded by multiple "spiritual giants" that have guided me on my journey.
